Engineering Notes

For all the questions, use the same wording used in the Pregnancy Profile Questions, leaving out the footers, if possible.

SXD Notes

This feels complicated. Needs more thought.

mmch_onboarding_pregnancy_info_curiousPregnancy_Info_curious4

👤 *Pregnancy info* #/3

Please select anything you want to add or change.

My role: (just curious)

Trimester of interest: (first/second/third)

No. of children: (number, 'Please share')

Select

X

My role

Trimester

Number of children

Back to my profile

Engineering Notes

If a curious pregnancy user changes their role to 'I'm pregnant' or 'My partner's pregnant', we need to ask for:

- EDD
- Sentiment about the pregnancy

SXD Notes

This feels complicated. Needs more thought.
