 **Never miss an important message.**

Depending on your profile, I can send info like:

- vaccine appointment reminders
- breaking health news in your area
- tips on managing stress
- and much more

You can always change the messages you get later in 'Settings'

 Can I send you these messages?

Yes 

Maybe later...

Later

mnch_onboarding_opt_in_no

Opt_in_no

Okay.

But remember, signing up for these important messages keeps you in control of your health and this service.

You can always change the messages you get later in 'Settings'
